PRELIMINARY AMENDMENT

Sir:

Prior to issuance of a first Office Action after the filing of a Rule 1.53(d) Continued Prosecution application (CPA), please amend the above-captioned patent application as follows:

IN THE CLAIMS:

Please AMEND Claims 1 and 8, as follows:

1. (Twice Amended) A radio communications system comprising:
- an intermittent power-on type mobile station for shifting to a power-on state synchronously with a received timing of a beacon signal, with a fixed period of time after the beacon signal has been received defined as a rule as a data receive-ready period; and
 - a base station for emanating a beacon signal to said intermittent power-on type mobile station and communicating with said intermittent power-on type mobile station by radio while said intermittent power-on type mobile station is controlled;
